

Soft Extracts

With nature as our inspiration, we are driven by an absolute passion for creating innovative flavour ingredients for our customers.

With improved water-solubility, our aqueous ethanol extractions of the botanicals retain all the clean, natural flavour qualities of the original material.

Application Information

These flavours are perfect for use in:

- Beverage Emulsions
- Flavour compounding
- Alcoholic and non-Alcoholic beverages (pre-diluted first)
- Seasonings
- Coatings and marinades
- Soup and sauces
- Bakery
- Confectionary

Guide dosage 0.5-0.5% dependent on application.

Features & Benefits

- Natural products
- Can be declared as 'extracts'
- Good impact, low dosage
- Uses the finest quality natural ingredients
- Diverse range of flavours, herb and spice extracts available
